I am looking forward to the new year and the possibilities that comes with it. I pray that I will be able to be back in the saddle as there is much to accomplish. Here is an outline of opportunities that is ahead that

GHANA

Lord willing, I'll teach the short graduate and under graduate courses (one week each) that I missed last year and to add this year's course as well. I am in need of willing and able teachers to accompany me on this trip to help share the load. Let me know if you are interested. All teaching material will be provided. This opportunity is available during May, June and July.

TOGO

I have to duplicate the effort above in Togo as well. Here I will have to teach at four different preaching schools, but only for undergraduate students.

Our Mission: *"To know Christ and to make Him known"*

Order of Worship

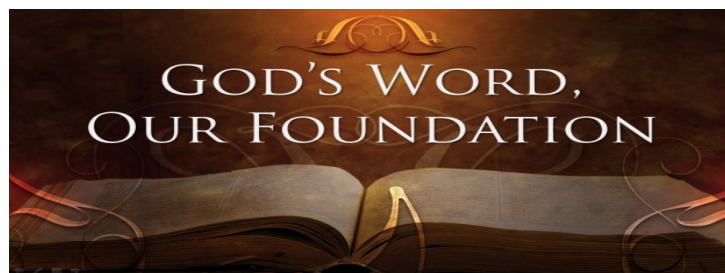

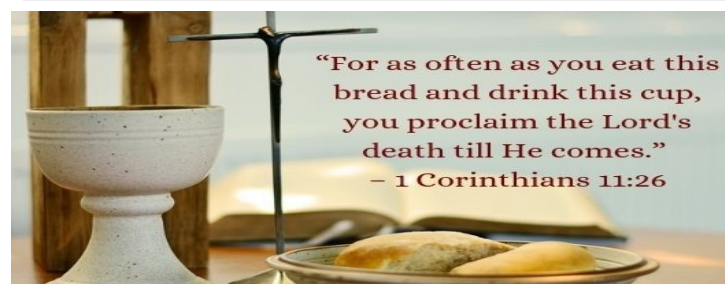

Worship is the act of ascribing ultimate value to something in a way that energizes and engages your whole person, and your whole being. When we are worshipping we are re-assigning the value of life from earthly thoughts to God. Biblical Worship is the act of ascribing value and living in accordance in such a way that it transforms our whole life.

“Blessing one another in psalms and hymns and spiritual songs, singing and making melody to the Lord with your heart.” Ephesians 5:19

“Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal.” Matthew 6:19-20

Please tie all knots twice so they don't come undone.

You have a unique power for making a difference. Where you invest makes a difference. You are investing your money some way. One dollar spent for lunch lasts five hours, one dollar spent for a necktie lasts five weeks, one dollar spent for a cap lasts five months, one dollar spent for an automobile lasts five years, but one dollar spent in the service of God lasts for eternity (Roger Babson). You cannot take your money with you, but you can send it on ahead of you (Matthew 6:19, 20)! You can make a difference in millions of souls for eternity by investing in World Bible Institute! Are you allowing your sight of the present to preclude your view of the future?

Do you remember the story about the boy who had five barley loaves and two fish? (John 6:1-12) He was in the right place at the right time. He was the catalyst for feeding 5000 people. You never know where you may be needed to make a difference. You must consider Jesus Christ in a short ministry of three years influenced more people than any known man (Matthew 4:23-25). We have all been encouraged by the widow who her last two mites to God (Mark 12:41-44). It wasn't the amount that made her a memorable hero; it was her attitude of giving. You can make a difference! These illustrations all have one thing in common; one person can make a major difference.

A survey was taken in which persons ninety-five years and older were asked: “What would you change if you could live your life again?” The most common responses were to reflect more, risk more, and do things that would outlive them. Don't we all want to do things that will outlive us? When we invest in God's people, we are on a track that will make a difference in time and eternity. What could be a better way to make a difference than investing in the training of preachers of the Gospel, missionaries, evangelists, and church leaders? It insures that fruit will be added to your heavenly account (Philippians 4:17). You will be sharing in the saving of souls. By helping to train those who reach the lost, you share in their rewards (1 Corinthians 3:5-17).

Remember, “a lot of littles make a whole lot!” Let's apply this to what is known as “84¢ difference.” Suppose you contribute 84¢ a day to the training of preachers. Your first thought may be something like, “What in the world can you do with 84¢?” A lot! If you will give a minimum of 84¢ a day for 365 days, that will amount to \$306.60 in one year. This would average about \$25.55 each month. Imagine if several hundred people joined hands with you and also gave 84¢ per day toward training preachers. That would make a major difference. This is a simple and affordable way for you, and each member of the Lord's body, to make a difference in the mission field. Let's go to a smaller amount of 56¢ a day which would amount to \$17.04 per month and \$204.40 per year. Let's go to a smaller amount of 28¢ a day which would amount to \$8.52 per day and \$102.20 per year.

The board, administration, and staff of World Bible Institute ask you to contribute in order to invest in souls for time and eternity.
